Enterprise Information Resources Inc.™ Announces Its Participation at SAPPHIRE® NOW to Showcase EIR DataTools™

Orlando, FL– May 16, 2016 – Enterprise Information Resources Inc.™ (EIR) an SAP partner, today announced that it will participate at the SAPPHIRE® NOW and ASUG Annual Conference being held May 17–19 in Orlando, Florida.

EIR will be showcasing EIR DataTools™ (Booth 1349A) and co-presenting "[Optimizing the Performance of Your Talent Management Solution](#)," with Steven Johnson, senior HR manager at SABIC. The presentation will take place Wednesday, May 18, 2016, at 2:30 p.m. in the Partner and SME Solutions Topic Area 3. Hear how SABIC successfully integrated data from multiple sources and transformed its data loads to automate the capture of changes and exceptions, enhancing the rollout of a global talent management system.

Preparing data for talent management implementations and upgrades is key to optimizing the rich features of the SAP® SuccessFactors® Talent Management Suite. [EIR DataTools™](#) makes this process immediately more efficient by producing accurate data for the reports and analytics needed for increased business insight.

"We are looking forward to interacting with users of SAP SuccessFactors talent management solutions and sharing EIR's expertise on the wide range of current possibilities and how to benefit from these solutions," said France Lampron, president and CEO of EIR.

SAPPHIRE NOW focuses on how companies can enable their digital business strategy and get more from their technology investments. SAPPHIRE NOW and the ASUG Annual Conference are the world's premier business technology event and largest SAP customer-run conference, offering attendees the opportunity to learn and network with customers, SAP executives, partners and experts across the entire SAP ecosystem.
